SUMMARY

I am a B.Tech graduate with a passion for technology and a solid foundation in IT concepts. Eager to apply theoretical knowledge to real-world projects and gain hands-on experience. Proficient in programming languages such as Java with a keen interest in software development and web technologies. Strong problem-solving skills and a quick learner, ready to adapt to new challenges. Seeking an entry level opportunity to kickstart a rewarding career in the IT industry.

PROJECT

E-Commerce Web Application:

- Developed a full-stack e-commerce application with user authentication.
- Implemented product listing, add-to-cart, and order management features.
- Integrated database for storing users, products, cart items, and orders.
- Focused on clean backend logic and user-friendly UI.
